8:30 am – 12:00 Noon – *Workshop*

Location: Centro Caboto Centre, 1055 Wilkes Avenue

Principals, Managers, Project Managers and Aspiring Leaders will benefit from this workshop.

Come hear our panelists speak about:

The New West Partnership Trade Agreement and the Canada Free Trade Agreement

If you're like many, you have some questions about these agreements:

“What are they?”

“How are they being deployed in Manitoba?”

And most importantly: “What is their effect on me, my clients, and my business?”

Get the answers to these questions and more by attending our half-day workshop. This workshop will feature speakers from the Province of Manitoba, who have been involved in negotiating these agreements; ACEC-Canada, who will speak to the real and potential impacts of these trade agreements on engineering firms; as well as the City of Winnipeg, Manitoba Hydro, and Manitoba Infrastructure who are aligning their procurement practices with these agreements.

Do not miss this opportunity to learn more.

Register today!

\$85 + GST (Cost includes hot breakfast and course materials.)
